Sample vision statements

Communities That Care

"Our vision is a healthy community in which each member contributes to an environment of respect, honesty, responsibility and caring."

"Our vision is a community that has harnessed its creativity and resources to provide each young person with the opportunity to grow up safe, healthy and happy."

Notes

Involving Youth Using the Social Development Strategy (SDS)

Describe your idea for involving youth:

What healthy behaviors and outcomes would this involvement produce?

What healthy beliefs and clear standards would you have for youth involvement?

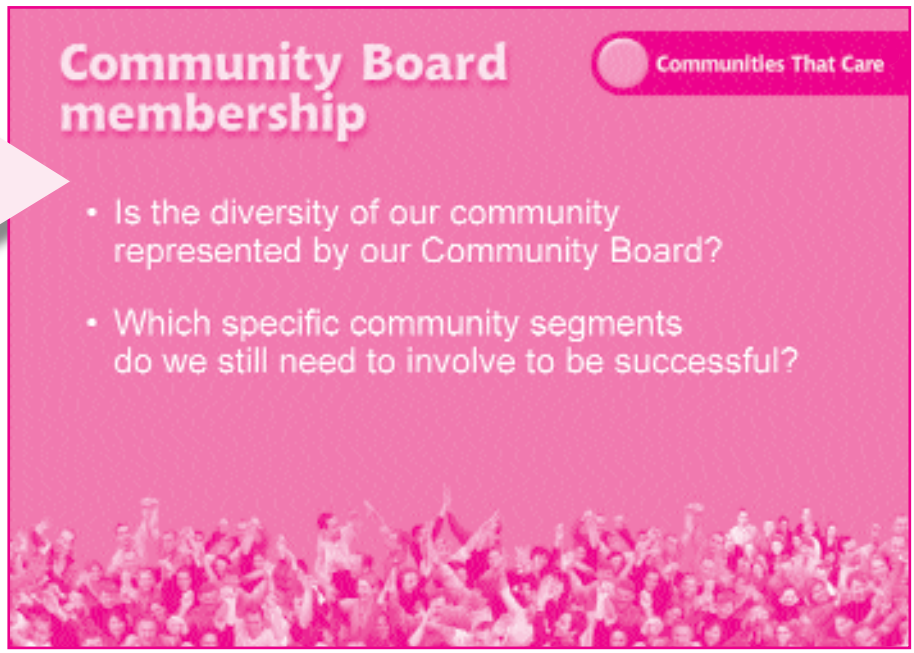
What are the opportunities for youth to be involved in meaningful ways?

What skills will be needed by youth and adults?

How could youth and adults be recognized for their participation?

How can youth with a variety of individual characteristics be encouraged to participate?

Slide 5-17



Notes

Identifying New Community Board Members

For each community segment or group, list any current Community Board members, as well as any ideas for new members. List a contact person for each group, if known.

	Current members	New members	Contact
Government			
Law enforcement			
Business			
Education			
Faith communities			
Social services			
Racial/cultural/ethnic			
Neighborhood			
Other
